

# Simple shortbread

---

## Ingredients:

Plain  
flour

Salt

Baking  
powder

Butter

Caster  
sugar

## Method:

1

- Preheat the oven to 170C
- Sift in the flour, salt, and baking powder into a large bowl

2

- Beat the sugar and butter together until light and fluffy and then combine the ingredients

3

- Chill the dough for 10 minutes in the fridge and then roll out into shapes

4

- Place on a baking tray and cook for 15 minutes
- Enjoy 😊
