THE TEA LEAF

June and the team from Turning Heads would like to welcome you to the Tea Leaf Café in Torre. We hope you enjoy the lovely home-cooked food and we hope to see you regularly.

Turning Heads is a community interest company that runs many projects across Torbay including a social supermarket, helping 100's of families and individuals to access discounted food and support. Any profits from the café go directly into this venture and your custom here today will help make a real difference to the lives of others.
